ABOUT US

My name is Bettye Walker, and I started making candy in the late 60's when I wanted something different for my boss at work. I couldn't find the lady from whom I always purchased my candies, so I took a class to learn how to do it myself. The store's name was actually named by my son & my boss back in Ohio. My favorite candies to make are turtles, but to eat are the blk walnut clusters.

CLASSES

Learn a new hobby just for fun, for gift-giving, or fund raising. This 2-1/2 hour class is \$25 you will be able to learn how to make chocolate cover cherries, peanut butter cups, peppermint patties, turtles, and more.

Classes are held at the store OR you can have a candy making party at your home or another location.

The host/hostess fee is waived.
(Minimum of 6)
